

ICC assessment certificate - power category

You only require this part of the application form if you are taking an ICC assessment of competence at an RYA recognised training centre or an RYA affiliated club.

The ICC assessment of competence is not applicable to the Personal Watercraft category and is only applicable to applicants without acceptable UK Certificates as listed in [ICC-3 Notes: Evidencing boating competence](#).

This certificate can only be used to validate the power category (which may be limited to vessels up to 10m LOA) on a UK ICC issued by the RYA. In order for an ICC to be issued you must also provide an ICC assessment certificate for either inland or coastal waters (or for coastal waters a certificate listed in [ICC-3 Notes: Evidencing boating competence](#) which validates the coastal category).

FORM TO BE COMPLETED BY THE RYA AFFILIATED CLUB OR RYA RECOGNISED TRAINING CENTRE (RTC).
